

There has been some confusion about the Pay to Participate fee structure announced for fall sports and extracurricular activities for the 2010-2011 school year.

Below is important information to help address any misinformation and rumors.

- If the levy passes on August 3rd, there will **NOT** be a “Pay to Participate” program instituted for the fall or for the 2010-2011 school year. Sports, clubs and activities will be offered to all students **without** pay to participate fees.
- The “Pay to Participate” plan is being offered as an **option** if the August levy does not pass. The Board of Education decided to provide this option for students as a result of community input and the review of several plans.

The goal is to pass the levy on August 3rd. Please remind your friends and neighbors to vote on August 3rd in support of our *Excellent with Distinction* district.
