

SERVICE/LEADERSHIP AWARD APPLICATION

Name _____

Grade _____

Date _____

The Service/Leadership Award recognizes students who volunteer their time to provide service and leadership to the school and can be earned by a student in any grade (please note: SITES cannot earn points). Six points are required to receive a Service Award. Points are cumulative over four years. Each activity can earn one point per year unless otherwise noted below. You are encouraged to submit an application each year, even if you do not have enough points to qualify. Forms will be kept on file, and when you have enough points to qualify, you will receive the award. You may receive the award more than once in your high school career.

You must get the signature (not just initials) of the appropriate advisor for activities. It is up to the discretion of the advisor whether to award the point. Clubs and activity advisors will establish criteria for the awarding of points. Applications without proper signatures will not be considered. Completed forms must be returned to the Guidance Office by April 16 before 3:30 p.m.
