Dear Parents/Guardians:

In continuing efforts to stretch our school dollars while providing athletic opportunities for our children, the district is implementing a nominal fee to offset the rising costs of transportation.

For the 2011/2012 school year, a one-time per school year fee will be assessed of \$75.00 per student at the High School, and \$50.00 per student at the Middle School for students participating in sports.

The fee is **per student**, and covers the entire year regardless of the number of sports a student athlete participates in.

The fee is due two weeks from the start of the first day of their first practice.

Please complete a **separate form for each student** who is participating in a sport and attach your **check or money order** made payable to: North Olmsted City Schools

For record keeping purposes, **we cannot accept cash payments.**

Please return the completed form and payment **to your coach.**

Thank you for your cooperation and continued support as we begin the new school year.
